Prominent Winchester Engineer Joins William H. Gordon Associates

Winchester, VA – August 7, 2006 – Mr. Paul E. Davis has recently joined William H. Gordon Associates (WHGA) as their newest Senior Project Manager in the Winchester, Virginia office. Mr. Davis brings over 30 years of diversified experience in civil engineering and construction management to WHGA. Mr. Davis was registered as an M. Inst. C.E.S. (the equivalent of a civil engineering PE) in England in 1973, and since that time, has provided construction management and civil engineering services across the world for a wide variety of public and private sector clients.

WHGA is a civil engineering, surveying, landscape architecture, land planning, site security consulting, and GIS firm serving both public and private sector clients. Established in 1976, WHGA has executed engineering studies and assessments, master planning, preliminary design, and final design concepts for thousands of construction plans. Headquartered in Chantilly, Virginia; WHGA branch offices are located in Winchester, Virginia; Leesburg, Virginia; Prince William, Virginia; and Charles Town, West Virginia.
