## **Local Land Surveyor Launches New Prince William Survey Department**

Prince William, VA – November 13, 2006 – William H. Gordon Associates, Inc. (WHGA) is pleased to announce the addition of Mr. Blaise Burry, LS, in their Prince William, Virginia office as the new Director of Survey. Mr. Burry has more than 30 years of surveying experience related to transportation, land development, and public utility infrastructure. His project experience includes municipal work for the Counties of Arlington, Fairfax, Fauquier, Stafford, and Spotsylvania and land development experience in Fairfax, Loudoun, Prince William, Stafford, Fauquier and Spotsylvania Counties. Mr. Burry attended Pennsylvania State University and is a licensed Land Surveyor in Virginia.

Mr. Burry will play an essential role in the start-up and development of WHGA's new Prince William Survey Department. With the creation of this new survey department, WHGA's Prince William office can now provide more convenience to their clients, offering rapid mobilization of crews throughout the region. The development of this new department is a direct effect of the growth at WHGA's Prince William office since it opened in 2004.

WHGA is a civil engineering, surveying, landscape architecture, land planning, site security consulting, and GIS firm serving both public and private sector clients. Established in 1976, WHGA has executed engineering studies and assessments, master planning, preliminary design, and final design concepts for thousands of construction plans. Headquartered in Chantilly, Virginia; WHGA branch offices are located in Winchester, Virginia; Leesburg, Virginia; Prince William, Virginia; and Charles Town, West Virginia.
