Seven New Associates Named at WHGA

Chantilly, VA – January 3, 2007 – Mr. Brian Cipriano, Mr. Roy Clark, Mr. Tim Klabunde, Ms. Kristen Ringstaff, Mr. Alan Stevens, Mr. Daniel Strain, and Mr. Chad Wallen were all named as new Associates at William H. Gordon Associates, Inc., a top 20 engineering firm in the DC Metropolitan area. These employees were chosen based on the personal development they have made within the company, as well as their active professional involvement in respective organizations and communities.

Mr. Cipriano is a Senior Landscape Architect at WHGA's Chantilly headquarters and has been with the firm since 2003. Mr. Clark is a Senior Project Planner at WHGA's Leesburg office and has over 33 years of experience in the development industry. Mr. Klabunde is the Director of Marketing at WHGA's Chantilly headquarters and is a graduate of Houghton College. Ms. Ringstaff is a Senior Project Engineer at WHGA's Charles Town office and is a graduate of George Mason University. Mr. Stevens is a Survey Crew Chief at WHGA's Winchester office and has been with the firm since 2003. Mr. Strain is the Purchasing Agent/Building Manager at WHGA's Chantilly headquarters and has been with WHGA since 2001. Mr. Wallen is a Senior Project Planner at WHGA's Charles Town office and has been with the firm for 3 years.

About William H. Gordon Associates, Inc.:

WHGA is a civil engineering, surveying, landscape architecture, land planning, site security consulting, and GIS firm serving both public and private sector clients. Established in 1976, WHGA has executed engineering studies and assessments, master planning, preliminary design, and final design concepts for thousands of construction plans. With regional offices in Chantilly, Virginia and Leesburg, Virginia; WHGA also has branch offices located in Winchester, Virginia; Prince William, Virginia; and Charles Town, West Virginia.
