## William H. Gordon Associates, Inc. (WHGA) Hires New Senior Project Manager

Chantilly, VA – June 13, 2008 – Mr. Tim Vaughan has recently joined the WHGA team as a Senior Project Manager. Mr. Vaughan has 23 years of experience in the engineering industry, and has worked on prestigious projects such as the Ballston Metro Center, Lake Manassas, Braemar, and Pembroke subdivisions. He specializes in the fields of land development, transportation, water resources, and consulting services in the Northern Virginia region.

Prior to joining WHGA, Mr. Vaughan owned a land development consulting firm. He is looking forward to working with a new team, and mentoring young engineers in the industry. Mr. Vaughan is a licensed Professional Engineer in the state of Virginia. He received his Bachelor's Degree in Civil Engineering from Virginia Tech in 1985.

### **About William H. Gordon Associates, Inc.:**

WHGA is recognized as a leading provider of professional consulting services to public and private sector clients in the Metropolitan Washington, D.C. region. Founded in Northern Virginia in 1976, WHGA has assembled more than 125 professionals and support staff, including civil engineers, land planners, landscape architects, surveyors, hydrologists, security consultants, and GIS specialists located within a regional network of five (5) offices. WHGA provides comprehensive, single-source services for the development and stewardship of land and/or facilities to address the needs of government and business.
